

Dear Student:

The enclosed scholarship application for the 2019-20 school year must be completed and submitted **no later than May 1, 2019** in order for it to be considered by the Scholarship Committee. You will be notified of the decision on your application in early July.

In addition to your application form [you are required to submit the following documents by May 1:](#)

- [High School or College Transcript](#). If you are a high school senior, submit your 7-semester high school transcript. If you are now in college, submit your most recent college transcript.

PLEASE CONTACT US TO VERIFY WE HAVE RECEIVED YOUR TRANSCRIPT.

- [Expected Family Contribution \(EFC\)](#). We require a copy of a page showing what your EFC is from FAFSA (Free Application for Federal Student Aid). The EFC is a calculated amount that FAFSA provides. This amount can be obtained from the Student Aid Report (SAR) which you receive after you complete the FAFSA application.

The Mellinger Foundation highly recommends any eligible student living in Warren County or Galesburg School District #205, and planning to go to Carl Sandburg College, to apply for the Sampson Promise or Galesburg Promise as soon as possible.

For information on applying for the Sampson Promise (Warren County residents) please refer to www.sandburg.edu/sampsonpromise.

For information on applying for the Galesburg Promise (Galesburg residents that live in School District #205) please refer to www.sandburg.edu/galesburgpromise.

Each year the Mellinger Foundation receives more applications than it has funds, so it is inevitable that a considerable number of applicants will not receive awards. Applications are reviewed by the Scholarship Committee which makes its decisions based on several criteria. Two important criteria are financial need and academic achievement. For awarded applicants, the scholarship amount will depend upon the type of institution you attend (public, private, junior, etc.).

Remember, your completed application and two documents listed above must be in our office by May 1. Any changes should be reported to us immediately, including the status of pending scholarships and loans. If you have any questions, please contact us or refer to the FAQs on our website.
